CORPORATE GOVERNANCE

PRINCIPAL FUNDING SOURCES

SNTC receives funding for its operating expenses from MSF. Donations received from the public are used to help families who meet the means-testing criteria to set up a Special Needs Trust (SNT) account, by providing them with the initial capital sum and/or co-pay the premiums for the Great Eastern Cares Term Plan.

WHISTLEBLOWING POLICY

Members of the public who wish to bring up concerns about possible malpractices or impropriety in SNTC can write to whistleblow@sntc.org.sg. Subject to legal and regulatory obligations, SNTC shall treat all feedback with strict confidence and appropriate action will be taken to address the feedback and ensuing findings. Parties who raise their concerns in good faith need not be worried about adverse consequences, regardless of the outcome of the investigation.

CONFLICT OF INTEREST MANAGEMENT

SNTC Board has put in place documented procedures for Board members to declare actual or potential conflicts of interests on a regular and need-to basis. Board members also abstain and do not participate in decision-making on matters where they have a conflict of interest.

RESERVES POLICY

“Reserves” refer to the portion of SNTC’s funds that the Board has the discretion to use for its operating purposes to ensure long-term sustainability. The Board reviews the reserves level regularly to ensure its adequacy in meeting SNTC's continuing obligations.

In light of SNTC’s current income source, expenditure needs, and external environment, the Board aims to maintain a reserves level of up to two years' of SNTC's annual operating expenditure. Under its Funding Agreement with MSF, SNTC is required to refund reserves in excess of two years of operating expenditure to MSF. The Board agrees that this level of reserves is appropriately and prudently derived to provide financial stability and to ensure that SNTC’s clients will not be abruptly deprived of essential services in the event of unforeseen cut in funding from MSF.

INTEGRATION OF SNTC WITH SG ENABLE

From 1 April 2025, SNTC is fully integrated with SG Enable, marking a meaningful step forward in how we support caregivers and families through building a seamless and more efficient support ecosystem.

For our clients, the integration brings together our expertise in trust services with SG Enable's comprehensive disability support services. This strengthens our combined capacity for future care planning using a person and family-centred approach. Case Managers will continue to work alongside families to conduct holistic needs assessments of persons with disabilities and develop customised care plans.

Our mission remains unchanged: to enable families to plan and secure long-term financial and caregiving arrangements for their loved ones with greater ease and confidence. With subsidies from MSF, fees to set up and administer trust accounts continue to be reduced by 90% to 100%.

SUPPORTING FAMILIES WITH CARE PLANNING

536 financial care plans developed

123 Special Needs Trust accounts set up

71 beneficiaries of Special Needs Savings Scheme

Gift Of A Lifetime Plus (GOAL+) Sponsorship Scheme

With consolidated resources made possible through the integration, SG Enable can also better drive future care planning efforts.

The GOAL+ Sponsorship Scheme was launched on 1 April 2026 and will run till 31 March 2031. Administered by SG Enable, acting for and on behalf of SNTC, GOAL+ provides Government-matched donations of up to $10,000 for eligible families contributing within a five-year window to their loved one's Special Needs Trust (SNT) account, with Community Chest sponsoring an additional $5,000 to help those without an account set up one.

Find out more and apply for GOAL+

All future activities and initiatives will be conducted under SG Enable as part of Future Care Planning. There is no plan to conduct fundraising activities in FY26. SNTC will continue to use donations received to help lower-income families with the initial capital to set up an SNT account for their special needs dependents and/or co-pay the premiums for the Great Eastern Cares Term Plan which is irrevocably nominated to the trust.
