What is GOAL+?

Gift Of A Lifetime Plus (GOAL+) is a scheme that sponsors matching donations of up to $10,000 for low- and middle-income families who contribute to a new or existing Special Needs Trust (SNT) account of their loved ones with disabilities.

How It Works:

3. There is a **five-year top-up window** for eligible SNT accounts. Refer to the illustrated example in the table below:

Date of Approval for GOAL+	Last day of top-up window (or whenever the $10,000 cap is reached, whichever is earlier)
