SG Enable Training Grant for Training Providers

General Questions

1. What is the SG Enable Training Grant for Training Providers?
This grant is meant to defray the costs of training for persons with disabilities or for enhancing employers’ disability confidence. Hence, the SG Enable Training Grant is aimed at encouraging training providers, including companies and voluntary welfare organisations (VWOs) with training capabilities, to propose training initiatives to achieve the following:

- Skills training and upgrading of persons with disabilities, particularly in enhancing their options in employment and employability
- Building up the capabilities of employers in the hiring and retention of persons with disabilities

2. Who are the target beneficiaries of projects supported under this Grant?
The proposal submitted by the applicant must benefit either, or both, of the following groups:

- **Persons with disabilities** aged 16 and above (excluding full-time students), regardless of their current employment status.
- Employers who intend to build up their capability in hiring persons with disabilities and integrating them into the work environment.

The target beneficiaries/trainees must be **Singapore Citizens** or **Permanent Residents** of Singapore.

3. What are the disability profiles of beneficiaries that will be supported under this Grant?
This grant covers programmes or projects that benefit persons with autism spectrum disorder, intellectual disability, physical impairment, hearing impairment and visual impairment. Participants must be certified permanently disabled.

Scope of Funding

1. What does the grant cover in terms of funding?
The grant may provide funding for the following areas:

- Course fee funding to training providers and provision of training allowance for the skills training and upgrading of persons with disabilities to enhance their employment and employability;
- Course fee funding to training providers to deliver training to build up the disability confidence and capabilities of employers and/or co-workers to create a more inclusive environment for persons with disabilities, and/or;
- Capability development funding for training providers and companies to build capabilities and customise training materials to deliver training to persons with disabilities.

2. What is the funding duration for the programmes or projects?
Depending on the nature of the programme or project, the grant may fund training for up to two years.

3. Can I seek other funding for the same project?
Yes. You can apply for other funding to cover expenses that are not funded by the Training Grant. However, this should be made known to SG Enable in the application form.

In addition, you should not apply for other grants from Singapore Workforce Development Agency (WDA) or other agencies to support the same project.
4. Can individuals apply for the grant?
   Individuals are not allowed to apply for the grant in their own name. However, if individuals are keen to be part of this initiative, they may consider contacting and partnering eligible organisations to submit an application.

Disbursement
1. What are the general requirements for submission of reports and supporting documents for fund disbursement?
   Unless otherwise indicated, reports and supporting documents should be submitted within 30 days upon completion of the project or programme for disbursement claims.

Application
1. How do I apply for the grant?
   You can download the Application Form from SG Enable's website.
   You must submit the completed (i) Application Form; (ii) Programme or Project Proposal; and (iii) Copy of your organisation's latest available financial statements in order to be considered for the grant.

2. When can I apply for the grant?
   There will be scheduled grant call(s) yearly for grant application submissions. Please check our website for further updates.

3. Can I submit more than one application at each grant call?
   Yes. There is no limit to the number of applications you may submit. However, as the Training Grant for Training Providers seeks quality proposals, you are strongly encouraged to focus your efforts on developing your programme or project idea and submitting a strong proposal, rather than submitting several weak proposals.

4. How long do I have to wait to know the outcome of my application?
   You will usually be notified of the application outcome within two months after the grant call closes.

5. I was informed that my application was unsuccessful. Can I make an appeal for my application to be re-evaluated?
   There is no formal appeal process for unsuccessful applications. However, you are welcome to submit new proposals in the next grant call.
