

Enabling Lives Festival

The Enabling Lives Festival is a signature event organised by SG Enable to rally stakeholders, corporates, philanthropies and the community, to come together to celebrate the occasion of the International Day of Persons with Disabilities.

In conjunction with SG Enable's 10th Anniversary, the festival theme is 'Celebrating Inclusion and Abilities' anchored on three programme pillars – Celebrate, Collaborate, Champion, reflecting SG Enable's long-term commitment to strengthen the social fabric of our community across all abilities and to make Singapore a more inclusive place to live and work in.
