

Enhancing Employment through Assistive Technology & e-Accessibility

Gain an appreciation of how assistive technologies can support employees with disabilities at work. This workshop will let you get hands-on with various assistive devices and software, it also emphasises on the importance of accessible content to facilitate the recruitment and training of employees with disabilities at work.

DATE: Refer to our training calendar

TIME: 9.30am – 5.30pm

VENUE: Enabling Village,
20 Lengkok Bahru (S)159053

COURSE FEE:

Full Course Fee \$327.00

(Before Funding including GST)*

Nett Fee \$32.70

(After WSG Funding including GST)*

At the end of this workshop, participants will understand how to:

- ✓ Leverage on the wide spectrum of assistive technologies available, to overcome different disability challenges and support employees with disabilities at work
- ✓ Develop a framework to identify and adopt suitable AT for the accommodation of individual needs
- ✓ Enable materials and content (word documents, notes, slides, websites) to be accessible to everyone, including employees with disabilities
