A GUIDE TO THE EARLY INTERVENTION PROGRAMME FOR INFANTS AND CHILDREN (EIPIC)

1. Touch Points
KKH Department of Child Development (DCD), NUH Child Development Unit (CDU) or Private Paediatric Clinics
- Doctor recommends child for EIPIC, to maximize his/her developmental potential
- Parents submit EIPIC application form to the Touch Point
- Touch Point will submit the EIPIC application with relevant information on child’s needs to SG Enable

2. SG Enable (SGE)
Provision of Information and Referral Services
- SGE Case Officer receives the EIPIC application; contacts parents to share information and discuss about choice of EI centres
- Parents decide on an EI centre
- SGE Case Officer refers child’s application to EI centre of parent’s choice

3. Service Providers
EI Centres by Social Service Agencies (SSAs) also known as Voluntary Welfare Organisations (VWOs)
- EI Centre will contact parents to acknowledge child’s application
- Parents may be invited to visit the EI centre. Subsequently, child will be scheduled for an intake assessment or screening
- EI Centre will notify parents regarding child’s projected enrolment date and other matters such as pre-admission, fees, transport, etc.
